Hyattsville, Md, (February 9, 2011)-[K. Neal International Trucks, Inc.](http://www.knealinternational.com) is pleased to announce that they are the recipient of five 2011 Top Business Awards from DiversityBusiness.com, the nation's leading multicultural and business to business website. Ranging in revenue size from \$20 million to over \$3 billion, the companies listed represent the nation's top earners and challenge the long-held notion that privately-owned and African-American owned businesses are small or insignificant.

In recognition of the economic power of privately held businesses, DiversityBusiness.com, recently named [K. Neal International Trucks, Inc.](http://www.knealinternational.com) as one of the 2011 Top 500 Privately-held businesses in the United States. Additionally, [K. Neal International Trucks, Inc.](http://www.knealinternational.com) is also the recipient of four additional top business awards by DiversityBusiness.com: Top 500 African-American Owned Business in the United States, Top 500 Diversity Owned Business in the United States as well as two state awards: Top 100 Diversity-Owned Business in Maryland and Top 100 Privately-held Business in the state of Maryland.

This is the fourth consecutive year that [K. Neal International Trucks, Inc.](http://www.knealinternational.com) has been named to these lists; therefore, they are extremely honored and proud. Companies listed on DiversityBusiness.com's 2011 Top Business Lists represent the Nation's top multicultural earners which are a testament to the fact that small businesses are indeed the driving force behind the U.S. economy's growth. Winners on these lists are often sought after by major corporations wishing to increase spending with small businesses.

"As the American economy continues to evolve, it's evident that small businesses are the engine that will continue to drive our economy back to recovery and spur growth in local areas, states Stephen W. Neal, CEO and President of [K. Neal International Trucks, Inc.](http://www.knealinternational.com) "Furthermore, these awards reaffirm my employees' commitment and dedication toward to putting our customers' needs first," he continued.

"Entrepreneurs are a growing force in the U.S. economy, and a force to be reckoned with," said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com He adds that, "This is a whole business segment that can carry on its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business."
